# Field Based Approach

Highly Integrated

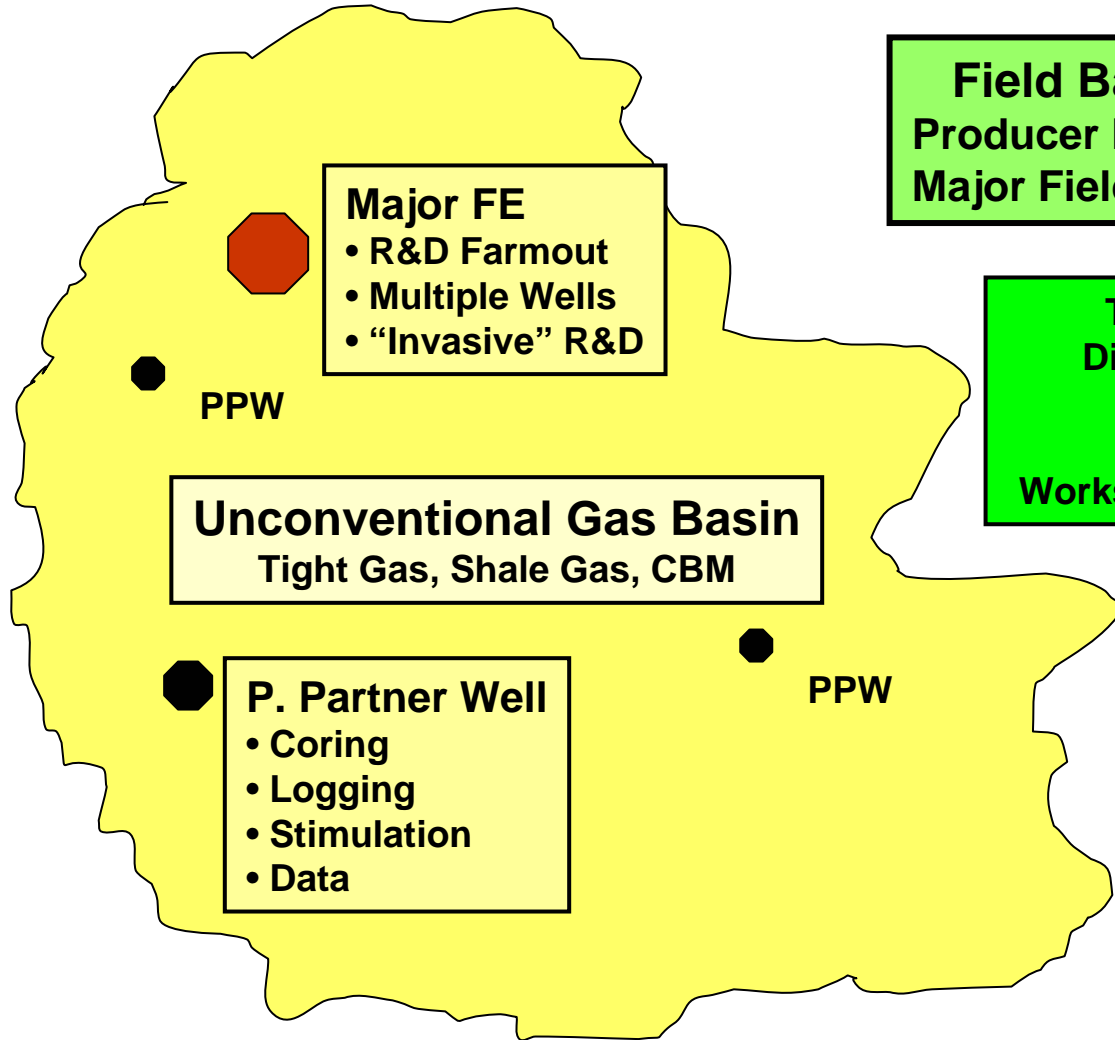

## R&D

G&G  
Drilling  
Rock Properties  
Stimulation  
Reservoir  
Produced Water  
Surface Footprint

Goals to be  
Developed with  
Deliverables

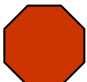

Field Based R&D  
Producer Partner Wells  
Major Field Experiments

Technology  
Dissemination  
Sequenced  
Workshops/Seminars

# Integrated Program

 **Field Based Projects**

 **Technical Projects**

# 2009 Draft Annual Plan – Onshore Program

---

- **Small Producer Program**
  - Evolutionary changes anticipated
  - Learn from experience
- **Unconventional Program**
  - Begin to form integrated program from individual projects
  - Identify and target program gaps
  - Move toward larger-scale coordination of projects to focus on specific resources
